1 3.15 PUBLIC SERVICES

PUBLIC SERVICES	Potentially Significant Impact	Less Than Significant with Mitigation	Less Than Significant Impact	No Impact	
a) Would the Project result in substantial adverse physical impacts associated with the provision of new or physically altered governmental facilities, need for new or physically altered governmental facilities, the construction of which could cause significant environmental impacts, in order to maintain acceptable service ratios, response times or other performance objectives for any of the public services:					
Fire protection?			\boxtimes		
Police Protection?					
Schools?				\boxtimes	
Parks?				\boxtimes	
Other public facilities?					

2 3.15.1 Environmental Setting

- 3 A summary of the public services provided for the Project property and adjacent areas
- 4 is listed below.

Fire	Santa Barbara County (Fire Station 18)
Police	Santa Barbara County Sheriff's Department 4434 Calle Real, Goleta, CA
School District	Vista Del Mar School District
Parks	The nearest public parks include recreational visitors and camping facilities at Refugio and El Capitan SB Parks (about 1.25 miles [2 km] and 0.65 mile [1.04 km]) from the Project area
Other	None

5 **3.15.2 Regulatory Setting**

- 6 3.15.2.1 Federal and State
- 7 Federal and State laws and regulations pertaining to this issue area and relevant to the
- 8 Project are identified in Table 3.15-1.

Table 3.15-1. Laws, Regulations, and Policies (Public Services)

U.	S.	Code of	Under 29 CFR 1910.38, whenever an Occupational Safety and Health
		Federal	Administration (OSHA) standard requires one, an employer must have an
		Regulations	Emergency Action Plan that must be in writing, kept in the workplace, and
			available to employees for review. An employer with 10 or fewer employees may
			communicate the plan orally to employees. Minimum elements of an emergency
			action plan are:
			Procedures for reporting a fire or other emergency;

route assignments; • Procedures to be followed by employees who remain to operate critical platoperations before they evacuate; • Procedures to account for all employees after evacuation; • Procedures to be followed by employees performing rescue or medical dute. The name or job title of every employee who may be contacted by employ who need more information about the plan or an explanation of their duties under the plan. Under 29 CFR 1910.39, an employer must have a Fire Prevention Plan (FP FPP must be in writing, be kept in the workplace, and be made available to employees for review; an employer with 10 or fewer employees may communicate the plan orally to employees. Under 29 CFR 1910.155, Subparice Protection, employers are required to place and keep in proper working order fire safety equipment within facilities. 		Regulations	

- 1 3.15.2.2 Local
- 2 No local laws or regulations pertaining to public services have been identified.
- 3 3.15.3 Impact Analysis
- a) Would the Project result in substantial adverse physical impacts associated with
 the provision of new or physically altered governmental facilities, need for new or
 physically altered governmental facilities, the construction of which could cause
 significant environmental impacts, in order to maintain acceptable service ratios,
- 8 response times or other performance objectives for any of the public services.
- 9 Less than Significant Impact. The Project consists of the replacement of the existing
- 10 onshore LFCPF-to-platform based cables. The Project is primarily a replacement-in-
- 11 kind. Following the completion of Project activities, construction activities would cease
- 12 and equipment would be removed from the site. Long-term cable maintenance and
- operations would be performed by existing personnel. No additional personnel would be
- 14 required. No need for new or additional public services would be required.
- 15 Temporary staging of construction equipment may provide an attractive nuisance for
- vandalism. However, equipment will be staged within the existing LFCPF or fenced for
- 17 protection. No additional police or fire services would be required. A less than significant
- impact to police and fire services would result.

19 **3.15.4 Mitigation Summary**

20 No significant impacts were identified. Therefore, no mitigation measures are proposed.
